Command Policy Letter CG 14-02

SUBJECT: VDF Command Policy on the applicability of National Guard and Army regulations, publications, manuals, and pamphlets; United States Codes as applicable.

1. All VDF personnel shall adhere to the following guidelines.
2. The Virginia Defense Force is authorized by United States Code (32 USC 109c) and the Virginia Code Section 44 of the Commonwealth of Virginia (Chapter 44). The mission of the Virginia Defense Force is recognized in National Guard Regulation 10-4.
- 3 Virginia Defense Force regulations and policy letters should be read and fully understood by all VDF personnel. "Knowledge is Power" and it is critical that VDF personnel be thoroughly informed and knowledgeable on all aspects of military service in order to effectively fulfill their responsibilities of serving and defending Virginia and the Nation.
- 4 The information contained within these regulations and policy letters has been taken directly from applicable National Guard, Army Regulations and Virginia law. From time to time to will see instructions or the words "shall", "must" or "will" you should consider the information to be mandatory and to be backed by the full force and measure of Regulations. Similarly, any time you see the words "may not", "shall not" or "will not" you should consider that information to be mandatory. In addition, any time you see the word "should" you are to consider this a strong recommendation and any reason to deviate must be based on good cause.
5. Pursuant to Virginia Code Title 44-54.7, The National Guard and Army regulations, publications, manuals, and pamphlets are meant to supplement the VDF regulations and policy to provide further detailed guidance where VDF regulations or policy may be lacking. They are meant to be read in tandem and in the event that VDF regulations are not sufficient, then the National Guard and Army regulations, publications, manuals and pamphlets will apply and control so long as reasonable.

6. The rules and regulation for government of the U.S. Army or National Guard will control so far as they are not inconsistent with the rights reserved to the Commonwealth of Virginia. Thus, except where the VDF has its own regulation in place, all Army and National Guard regulations which apply to the Virginia National Guard apply to the Virginia Defense Force.

7. Therefore, I have attached an appendix of miscellaneous Army and National Guard regulations and publications that are routinely used in administrative and operational matters. I have not included all applicable rules or regulations as this is not an exhaustive or exclusive list, but merely to provide guidance for commanders and all VDF personnel.

8. POC is the Chief of Staff, (540) 760-3603; G-1 or Judge Advocate General.
