VIRGINIA DEFENSE FORCE

CSS 102: Traffic Control

CSS 102 Purpose

Action: Discuss utilization of hand-and-arm signals to direct traffic.

Conditions: In a training environment, given a scenario placed at an intersection, vehicle traffic, one pair of white gloves, a reflective vest, MP road gear, and enough light available to allow drivers to see your signals.

Standard: Use hand-and-arm signals to direct traffic as demonstrated by using correct hand and arm signals that ensure traffic is directed safely without causing danger or harm to self or others
